I Pledge My Heart...

In Kansas 4-H, we repeat the 4-H Pledge at our 4-H meetings and 4-H events. During this time of giving and time with families, we frequently use our hearts to better serve our communities.

What are the ways you are pledging your heart? Is your club doing something to give back to the community? Are you doing something to help others?

We use our hands to learn by doing, but 4-H members also use

their hearts to learn by doing. Our members are considerate of others who may be less fortunate. We think of ways that we can make the holidays a little more enjoyable for someone else.

We take time to come together as a club for more than just our monthly club business. We share fellowship and enjoy spending time together.

We give our hearts to others in service. In giving, we receive much more. We learn what it

means to care about our communities and work together for the greater good. We learn how the little things add up and make a big difference to someone else.

During this special time of year, pledge your heart not only to greater loyalty, but also to larger service, "For it is in giving that we receive", Francis Assisi.

—Kelsey Holcomb

Bylaws

A club's constitution and bylaws help to define and outline the administration of a club. It is imperative that new clubs determine their constitution and bylaws before becoming chartered by the National 4-H Council. The articles of the constitution and bylaws determine the official name of the club, state where and when meetings will be held, set up how business will be conducted, determine officers and even allow for planning of dissolution.

Officers of existing organizations should review the club's bylaws annually. Clubs should also provide a copy of their bylaws to the Cowley County Extension Office. Officer teams that have not reviewed current bylaws are encouraged to do so under the guidance of adult leadership. A sample constitution and bylaws may be found at www.kansas4-h.org/p.aspx?tabid=498.

Membership

In order to be a regular member of Cowley County 4-H, the member must be 7 before January 1st, 2017.

Ambassadors

The Cowley County 4-H Ambassadors are seeking energetic, motivated, 4-H'ers who are looking to expand their leadership roles and promote Cowley County 4-H! The Ambassadors had several seniors graduate, so there are some openings on the Ambassador team! We also have an amazing new sponsor this year and we are super excited about the new upcoming year! We as Ambassadors are extending an invitation to apply to become a part of the Ambassador team. Applicants must be at least 14 years old, and been enrolled in 4-H for at least two years. Ambassadors host activities throughout the year including Barnyard Olympics, Day Camp, host Cowley Achievement Night, host the 4-H Sunday Service, and sponsor the 4-H Dance during the Cowley County Fair. Applications are available in the Extension Office and are typically due by the end of January, along with a letter of recommendation from a Community Leader. Interviews will be scheduled in February.
