Not Done Yet

The 2015 Cowley County Fair may be over, but guess what...the 4-H year isn’t. I’m guessing many of you thought that after all the exhibits were picked up Tuesday, after all the livestock were taken home, the barns cleaned, tables put away and the fairgrounds emptied that you were done with 4-H in 2015.

The 2015 4-H Year will actually come to a close September 30. Have you finalized your project work? The end of the year is a good time to think about what you liked about your projects and what you didn’t like. What would you change for the coming 4-H year?

Did you complete a 4-H record book? Are you working on it? Record Books (KAP’s) are a good way to learn about applying for awards and will be helpful to you in the future as you prepare for college and apply for scholarships. Completing record books also gives us a chance to evaluate our own project work. It allows us to think about what our goals were and if we reached them. We can reflect on what we learned in the project and whether or not we want to enroll in the project for the coming 4-H year.

While completing record books seemed like a painful process at the time, looking back, I appreciate that my mom and dad instilled those values in us. Completing record books teaches perseverance, skills in completing award applications, organizes awards making it easier to find information for completing scholarships and allows for reflection about our 4-H experiences not just the awards. Completing record books is a way to learn that sometimes you do what you have to, even if you don’t want to.

I realize that some of the KAP forms are not easy to fill out at any age. The 4-H Awards Committee took on the task of changing the Kansas Award Portfolio for the 9-13 age group to make it more age appropriate for our members.

In a way, record books are alot like taxes. If you have a good system for keeping track of things throughout the year, the final preparations are easy. Start early with setting goals and track what you do throughout the 4-H year.

To those of you (parents and 4-H’ers) who still see the value in completing record books and are willing to take on the difficult task, I commend you. It may not be quick or easy, but I promise, it is worth it.

Good luck!

4-H Club Elections
The end of the 4-H year is upon us and the new year is quickly approaching, which means it is time to select our club leadership for the 2016 4-H year. The following are suggested guidelines for conducting club election of officers.

- Nominate and vote for the member who would carry out the responsibilities of the office well. Election of officers is not a popularity contest. It is important to nominate a member who is willing to be present at meetings to carry out their office.

- A nominating committee (made up of 4-H members and parents) should develop a slate of candidates (two or more candidates per office).

- Vote on each office individually. (Yes it takes time, but it is an important learning time for members).

- Club members should be allowed the opportunity to nominate members from the floor for offices.

- A club needs to have a motion, a second, and vote to close the nominations for each office.

- A nomination does not need to be a motion and does not require a second. “I nominate Joe”.

- Voting should be done by ballot. Ballots should be counted by 2-3 members who are not running for office or who made the nominations for the officers, or by parents.

- Each member should have one vote for all offices.

- In cases where the club may have more than one person in an office (club may have two recreation leaders), each member should vote for corresponding candidates.

Officer Training
Officer Training will be Sunday, October 18th at the Winfield Early Learning Center (formerly the Intermediate School) from 5:00 p.m.-7:00 p.m. We will begin in the WIS cafeteria (east building on 8th street).

Livestock Premium Sale Review
2015 proved to be another great year for the 4-H/FFA Market Livestock Auction. This year’s sale grossed 103,550, which is $975 more than 2014. Both 2014 and 2015 were record years with the auctions grossing over $100,000. Since 2010 we have sold as few as 111 animals to as many as 127 lots in 2013 and 2015.

2015 averages:
127 lots - $815
12 Beef - $1366
62 Swine - $806
15 Sheep - $743
38 Meat Goats - $684

RCB Bank and Winfield Consumer Products spent over $14,000 on individual animal premiums. Shane Prill with S.J. Prill Financial and Investment Planning also paid the 5% commission which is withheld from exhibitors premium to assist with the cost of advertising, buyer’s ribbons, and supplies. That amount was $5,177.50. S.J. Prill also added 0.05/pound to the base bid values for all animals. Shane has made this special contribution for several years. Thank you notes can be sent to S.J. Prill, 1223 N. Rock Road, Bldg H-300, Wichita, KS 67206.

Many individuals have a part in the success of the Market Livestock Sale. An extra special thank you to the Cowley County Fair Board, Cowley County Fair Board Sale Committee, EDW B Stephenson & Co., Buyer Pool Coordinators, John Brazle, Justin Brazle, Dan C. Defore, Dan A.
