TRAIN SONG
Tune: Yankee Doodle

I met an engine on a hill.
All hot and broken hearted,
And this is what he said to me
As up the hill he started,

(slowly)
I think I can, I think I can,
At any rate I'll try,
I think I can, I think I can,
At any rate I'll try.

He reached the top and looking back
To where he stood and doubted,
He started on the downward track
And this is what he shouted---

(quickly)
I knew I could, I knew I could,
I never should have doubted,
I knew I could, I knew I could,
I never should have doubted.

JOBS
Tune: Smiles

There are jobs that make us grumpy,
There are jobs that make us gray,
There are jobs that steal away the minutes
While they add no pleasure to the day.
But the job that sets our hearts to singing,
One that grows more joyful every day,
Is the job of building for the future
In the work of the 4-H way.

AMERICA THE BEAUTIFUL

O beautiful for specious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for pilgrim feet
Whose stern impression'ja stress
A thoroughfare for freedom beat
Across the wilderness.
America! America!
God mend thine ev'ry flaw,
Confirm thy soul in self-control,
Thy liberty in law.
