Cowley County 4-H Development Fund
Leadership Development Grant

The Cowley County 4-H Development Fund has established Leadership Development Grants for 4-H'ers interested in further developing their personal leadership through participation in local, state, and national 4-H leadership events. Leadership Development Grants will be awarded in the amount of $50 and may be used for a leadership event of the member's choosing.

After attending the event or conference, the grant recipient will be required to provide a quote about the event to the Cowley County 4-H Agent, write a thank-you to a 4-H Development Fund Supporter and present a presentation to their 4-H club, a local civic organization or county-wide 4-H organization.

Name _____ Age _____

Event in which you plan to participate _____

Provide a paragraph about why you would like to attend this event.
