Not Done Yet
The 2019 Cowley County Fair may be over, but guess what...the 4-H year isn’t. I’m guessing many of you thought that after all the exhibits were picked up Tuesday, after all the livestock were taken home, the barns cleaned, tables put away and the fairgrounds emptied that you were done with 4-H in 2019.

The 2019 4-H Year will actually come to a close September 30. Have you finalized your project work? The end of the year is a good time to think about what you liked about your projects and what you didn’t like. What would you change for the coming 4-H year? Did you complete a 4-H record book? Are you working on it?

Record Books (KAP’s) are a good way to learn about applying for awards and will be helpful to you in the future as you prepare for college and apply for scholarships. Completing record books also gives us a chance to evaluate our own project work. It allows us to think about what our goals were and if we reached them. We can reflect on what we learned in the project and whether or not we want to enroll in the project for the coming 4-H year.

While completing record books seemed like a painful process at the time, looking back, I appreciate that my mom and dad instilled those values in us. Completing record books teaches perseverance, skills in completing award applications, organizes awards making it easier to find information for completing scholarships and allows for reflection about our 4-H experiences- not just the awards. Completing record books is a way to learn that sometimes you do what you have to, even if you don’t want to.

In a way, record books are alot like taxes. If you have a good system for keeping track of things throughout the year, the final preparations are easy. Start early with setting goals and track what you do throughout the 4-H year. To those of you (parents and 4-H’ers) who still see the value in completing record books and are willing to take on the difficult task, I commend you. It may not be quick or easy, but I promise, it is worth it.

Good luck!

———Kelsey Nordyke

4-H Club Elections

The end of the 4-H year is upon us and the new year is quickly approaching, which means it is time to select our club leadership for the 2020 4-H year. The following are suggested guidelines for conducting club election of officers.

- Nominate and vote for the member who would carry out the responsibilities of the office well. Election of officers is not a popularity contest. It is important to nominate a member who is willing to be present at meetings to carry out their office.
- Vote on each office individually. (Yes it takes time, but it is an important learning time for members).
- Club members should be allowed the opportunity to nominate members from the floor for offices.
- A club needs to have a motion, a second, and vote to close the nominations for each office.
- A nomination does not need to be a motion and does not require a second. “I nominate Joe”.
- Voting should be done by ballot. Ballots should be counted by 2-3 members who are not running for office or who made the nominations for the officers, or by parents.
- Each member should have one vote for each office.
- In cases where the club may have more than one person in an office (club may have two recreation leaders), each member should vote for corresponding candidates. A nominating committee (made up of 4-H members and parents) should develop a slate of candidates (two or more candidates per office).

48 Hours of 4-H

During the 48 hours of 4-H October 12th-13th, we would like every 4-H club in Cowley County to participate in a 2019 Kansas 4-H Service Project Challenge, commonly known as 48 Hours of 4-H. This is a great opportunity to involve non-4-H’ers to work with you as we give back to our community!

- Collecting recyclables
- Doing yard work for others
- Volunteering at a nursing home
- Making tie blankets and pillows to donate
- Making care packages for the military
- Holding a bake sale or car wash to raise money for charity

Once you’ve decided on a service project, pre-register online at www.Kansas4-H.org/484H. The deadline for registering is Thursday, September 19th. 48 Hours of 4-H t-shirts can also be ordered online.
