K-STATE
Research and Extension

2020 has been a challenging year. Let's just get that out of the way right now. We've said it again and again and again.

Through the spring and into the summer, we were restricted from meeting in person. Many clubs took advantage of zoom and meeting virtually. As a mom, I'll admit, meeting virtually made it easier for our family. We didn't have to factor in travel time to and from meetings, and those virtual meetings were shorter than our regular club meetings.

However, I believe all of our 4-H'ers missed out a little. The value of 4-H meetings, lies not in making decisions and conducting the business of the club, but in actually gathering together.

Now, we're slowly opening back up. We're slowly beginning to gather again. It's important that we take the correct precautions for in-person meetings.

Currently, guidelines from K-State Research and Extension encourage us that when we meet in person, we observe social distancing and wear masks. We are also encouraged to wash hands often (something we should be doing anyway). Pre-packaged food is also a best management practice when we partake in snacks at the meeting. So....are you attending your club meetings- virtually or in person?

The club meeting is the "sweet spot" of 4-H. Without your club, 4-H is not possible. In order to

keep our clubs growing and strong, we need you. We need you to not only attend meetings, but be active and engaged.

Participate on a committee as a family. Participate in your meetings as an officer. This increases the experience you gain from being involved in 4-H and the leadership skills you as a 4-H'er will gain. So, I encourage you to put more into your 4-H experience to get more out of it.

—Kelsey Nordyke

Cowley County 4-H Junior Leaders

The purpose of the 4-H Junior Leaders club is to help members: 1) build self-confidence 2) relate to others 3) develop concern for the community and others in it 4) use knowledge, skills and values in making decisions and 4) develop an inquiring mind. These aims are to be implemented by encouraging members' participation in planning and involvement in meetings, individual or group projects, tours or field trips, camps and other community or county activities.

Our next meeting will be Monday, November 16 at 7:45 p.m. at the Cowley County Courthouse Extension Assembly Room and via zoom. Any youth 12 and older are invited to participate.

Livestock Judging

4-H'ers interested in learning more about how to select their livestock projects should plan to participate in livestock judging. Practices will be held the second and fourth Thursday of the month in the Extension Office Meeting room at 5:30 p.m. Judges will learn the skills needed to select livestock as well as verbal skills to defend their decision. We'll take trips to judging contests throughout the year to compete as a team. Need more info? Contact Kelsey (klordyke@ksu.edu).

Bylaws

A club's constitution and bylaws help to define and outline the administration of a club. It is imperative that new clubs determine their constitution and bylaws before becoming chartered by the National 4-H Council. The articles of the constitution and bylaws determine the official name of the club, state where and when meetings will be held, set up how business will be conducted, determine officers and even allow for planning of dissolution. Officers of existing organizations should review the club's bylaws annually. Clubs should also provide a copy of their bylaws to the Cowley County Extension Office. Officer teams that have not reviewed current bylaws are encouraged to do so under the guidance of adult leadership. A sample constitution and bylaws may be found at www.kansas4-h.org/p.aspx?tabid=498

Grant Funding Information

Is your club thinking about applying for grant funds for an upcoming event or activity? Beginning in 2013, the Cowley County Extension Council Executive Board established the expectation that all grant submissions made in the name of 4-H (any applicant, any funding source) needs to be reviewed prior to submission. This step will allow the Cowley County Extension Council Finance Committee to review all submissions to provide insight and suggestions. This also insures that the 4-H clover is used appropriately and non-discrimination/ equal opportunity components exist. There are also situations where funds might have to be processed through Kansas State University.

If your club or project leaders are considering grant applications or extra funding sources, please submit in writing a copy of the grant application to Kelsey at least 5 business days prior to the grant deadline. We encourage creativity in fundraising and applaud the efforts of groups seeking external funding sources.
