WOODWORK
Superintendent: Liza Poovey

1. Read “General Rules” on page 8.
2. Exhibits in Classes will be limited to one article in each class, thus no member shall exhibit more than six articles.
3. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step by step instructions is not a plan.
4. Exhibits with missing or insufficient plans will be docked one ribbon placing and the corresponding premium.
5. The use of materials other than wood should be kept to a minimum.
6. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
7. Projects made from pre-cut kits are not allowed.
8. In judging woodwork articles, consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.
9. Firearms and weapons are not to be entered or exhibited at the Kansas State Fair in the Kansas 4-H Youth Development Department.
10. Exhibitors must participate in Conference Judging during the scheduled time. If exhibitors do not participate, they will be docked one ribbon placing, and the corresponding premium.
