## MODELING WORKSHOP

A modeling workshop will be held on Wednesday, July 14 beginning at 3:30 p.m. at the Cowley County Courthouse, 311 E 9th, Winfield.

If you are not able to attend, check out this video link: <https://www.youtube.com/watch?v=ROOvdIU6Vka>. Remember to practice walking in the shoes you will be wearing!

## CLOTHING LABELS

In Clothing, Fiber Arts or other exhibits needing a cloth label, exhibitors can make their own label on a piece of cloth with a permanent or laundry type marker. Labels should be about 3"x 2.5" in size and include exhibitor name, class number and county.

Sew-in labels are no longer available from the local Extension Office.

## FORMS TO PREPARE IN ADVANCE

The Cowley County Fashion Revue Cost Per Wear Worksheet is a form fillable document.

**Please complete both sides of the worksheet for each fashion revue entry and bring with you on Tuesday.**

The front page of the form includes a space to attach a photo, fabric swatch or sketch of your outfit. The photo can be a candid picture and can be inserted into the PDF.

The back of the form includes the "Cost Per Wear" worksheet and is required for all age divisions. It is important for all ages to know how to care for their garment and how it fits into their wardrobe plan.

A copy of the "4-H Fashion Revue Evaluation Scorecard" is on the next page for your information. Members do NOT have to complete this form prior to judging.

### Questions on Cost per Wear sheet:

1. What is your favorite part of this outfit?
2. What is something you learned during this project?
3. Where will you wear this outfit?
4. Seniors (ages 14-18): If you could change one thing about any of the garments, what would it be?

**REMINDER:** Make your own clothing label using interfacing or a small scrap of fabric:

Exhibitor name: *Christy Clover*  
 Class number: *0265*  
 County: *Cowley*

# 4-H Fashion Revue Script Information

Submit one script for your favorite outfit by 1 p.m. on the day of judging using the online form at [www.cowley.k-state.edu](http://www.cowley.k-state.edu) (Cowley County Fair tab).

4-H members must participate in the public revue in order to receive ribbons and premiums. Ribbons will be presented at the public revue.

The 4-H Fashion Revue commentary presents the 4-H'er and his or her project to the audience. The commentary should introduce the 4-H'er, describe special garment features for the audience to notice, and may highlight additional personal information about the 4-H'er and the project. A commentary's introduction lets the 4-H'er know when to come on stage and the conclusion gives the 4-H'er the signal to leave the stage. 4-H Fashion Revue commentaries should be no longer than 90 seconds (about 200 words). This gives the model times to come on the stage, make two or three turns, and then exit. Read aloud and time the commentary to be sure it takes 60–90 seconds. (Time may vary at a county activity.)

When writing your 4-H Fashion Revue commentary, consider the following ideas:

- A lead statement introduces the model by name and town/county or club name.
- Review the pattern envelope for a description of the garment. These descriptions can give you many ideas. Tell about details that the audience might miss. Stating the obvious bores the listener.
- Discuss what the 4-H'er learned in completing the project.
- Tell how this garment fits into the model's total wardrobe.
- Discuss any original techniques used in the construction of the garment.
- Tell something about the 4-H'er—background and special interests.
- Use statements that carry out the Fashion Revue theme, if one is used.

## Examples of Fashion Revue Commentaries

*Won't Jon Adams, from Homestyle 4-H Club in Richland, be proud on the first day of school, wearing his new colorful shorts and T-shirt outfit? This is Jon's first clothing project. Besides sewing, Jon is active in tennis, baseball, and choir. Jon learned how to keep his eyes on the sewing machine needle so he could sew straight. Jon says that it is fun to wear this outfit, but that it is even more fun to tell people he made it all by himself! Great Job, Jon!*

*This rayon challis dress is just right for dress-up days at school and other special occasions. Maria Cruz, from Spokane, chose this forest green fabric because she wants to wear the dress year-round. Notice the lace-tucked edges on the bodice. One of Maria's first learning experiences from this project was matching fabric, lace, and thread. She said it was difficult. The time she spent looking for just the right colors and textures sure paid off! Maria, you have a beautiful outfit—wear it with pride!*
